

CARPET ODOUR ELIMINATOR

Unique Solutions for Everyday Problems.

Food residue, liquids and unpleasant odours can seep deep down into carpets and soft furnishings making associated odours unbearable.

Ecogreen Carpet Odour Eliminator is a safe, simple and effective way of eliminating odours caused by organic waste lurking in carpets and soft furnishings. It's unique formula is designed to target the source of the odour and eliminate bad odours at the source. Once sprayed onto the source, the beneficial bacteria work immediately to degrade the waste like vomit, sweat, food, drink, urine and much more.

With no harsh or hazardous ingredients, Carpet Odour Eliminator can be used on most hard and soft surfaces. Ideal for use carpets, fabrics, upholstery and other soft furnishings.

Uses

- ✓ Bedding
- ✓ Flooring
- ✓ Mattresses
- ✓ Fabrics
- ✓ Carpets
- ✓ Upholstery

Available Sizes

- ✓ 500mL

Product Benefits:

- ✓ Spray & Leave
- ✓ Unique formula for carpets and fabrics
- ✓ Contains beneficial bacteria to remove the source
- ✓ Works deep into carpets
- ✓ Biodegradable
- ✓ Safe for use around pets & children

Environmental Benefits:

- ✓ Safe to use
- ✓ No harsh chemicals or acids
- ✓ Non-toxic & non-caustic
- ✓ Environmentally friendly

How does Ecogreen Carpet Odour Eliminator Work?

Unpleasant odours in carpets, soft furnishings and other fabrics develop when there is an imbalance between the number of odour causing particles and the quantity and type of bacteria which work to naturally digest the waste.

Ecogreen Carpet & Furnishings Odour Control is not a masking agent or deodoriser. It's formulation contains beneficial bacteria which, based on our exclusive biotechnology, targets the source of the problem. These bacteria produce enzymes which seize upon the waste breaking it down into less complex compounds. The beneficial bacteria then feed upon these smaller waste compounds and the residue they produce, digesting them until they are depleted and the odour is removed.

Directions for use:

Simply mist the product 20-30cm from the source of the odour. This product can be safely applied onto any carpet, including children's play areas. (Reapply if necessary until the odour is completely gone).

DISINFECTANTS AND CLEANING AGENTS KILL BACTERIA, DO NOT USE WITH THIS PRODUCT.

Directions for use:
