### How does Ecogreen Foot Odour and Sanitiser Work?

Embarrassing foot odour is a common problem which is caused by excessive perspiration and the growth of bacteria on feet. Ecogreen Foot Odour Sanitiser's unique, proven and tested formulation will significantly reduce the amount of odour causing bacteria located on feet, socks and in shoes. With a carefully selected blend of essential oils, neutralise and remove odour causing bacteria leaving your feet smelling and looking fresh and clean.

### Directions for Use

Spray directly onto your feet, socks and shoes and allow to air dry - no wiping or scrubbing required.

DO NOT apply product to broken skin.
